WHEREAS, the California Department of Public Health (CDPH) has made California Home Visiting Program (CHVP) Evidence-Based Home Visiting (EBHV) funds available to Local Health Jurisdictions (LHJs); and

WHEREAS, CDPH has allocated \$481,574 to Yuba County for each Fiscal Years 2026-27, 2027-28 and 2028-29; and

WHEREAS, it is in the best interest of the residents of Yuba County to accept and utilize the allocated funds to continue providing an evidence-based home visiting program. Home visiting is a proactive intervention that promotes positive parenting, healthy child development, and family well-being. The CHVP focuses on families at risk for Adverse Childhood Experiences (ACEs), including child maltreatment, domestic violence, substance use disorder, and mental health challenges. Research demonstrates that home visits conducted by trained professionals during pregnancy and early childhood can improve outcomes for children and families by providing essential support that help establish a strong foundation that create greater opportunities for long term success; and

NOW, THEREFORE, BE IT RESOLVED by the Yuba County Board of Supervisors that the Health and Human Services Department (HHSD) Director is authorized to submit the required documents to CDPH for Yuba County's FY 2026-27, 2027-28 and 2028-29 CHVP funding and any subsequent funds allocated.

BE IT FURTHER RESOLVED by the Yuba County Board of Supervisors that the HHSD Director is hereby authorized to: execute, subject to review and approval by County Counsel, all documents as required by the CHVP funding and the resultant allocations for the term of July 1, 2026 through June 30, 2029 including subsequently extended term; execute amendments, including but not limited to amendments for additional or lesser funding; and accept, transfer and administer all CHVP funding and any subsequent funds allocated for the stated term or extended term.

A copy of said agreements or any amendments thereto shall be filed in the office of the Clerk of the Board.
